

Assessment and Evaluation
NOTES
FEBRUARY 24, 2012

Agenda

1. Approval of Notes—check email list, resend
2. Additions/Corrections to Agenda
3. Review proposed campus questions for Noel-Levitz Student Satisfaction Inventory
 - a. Discussion of questions and format
 - b. Should we include a question about International Study opportunities? Awareness of where students can gain cross-cultural exposure.
 - c. Demographic about online courses?
 - d. Question about availability of space in the library for student use
 - e. Question about IT, use of tools, such as how communication functions on campus
 - f. Mobile technology
4. Address the criteria to use for reviewing the assessment plans of the successful strategic, one-time, and big idea proposals
 - a. Roughly 20 proposals will be coming to A&E, need to discuss assessment plans with each proposal author.
 - b. The only aspect of assessment in proposal was to identify smart outcomes.
 - c. Chart is included in the acceptance notification
 - d. How to show the campus community progress on proposals over time...
 - e. Deadline for feedback online April 6.
 - f. Email from Jean and Kirsti to the proposers.
5. Addition: New Academic Programs for Base Investment
 - a. Duplication of the CDS form; so we need to think about who to talk to, how to introduce the idea.
 - b. Where does it go? Council of Deans? Planning?
 - c. Where do we as a campus say, “We want to start another program.”—CDS

- d. Planning sheet for any curriculum design...a road map for CDS for a new academic initiative.
 - e. If it's of a scope larger than a program, who would we speak to.
6. Subgroup updates
- a. The list of peer institutions is compiled.

What do we do about the joint meeting? Is it adequate? What else could it be?
